

Prof. Emmanuel Tumusiime-Mutebile (RIP)

The Board, Management and Staff of the Deposit Protection Fund of Uganda are deeply saddened by the demise of the Governor of Bank of Uganda, Prof. Emmanuel Tumusiime-Mutebile.

The Fund is what it is today due to his unwavering commitment to its establishment and to see it grow on a firm foundation. He has been a pillar of knowledge which he willingly dispensed. His contribution to the Fund in particular and the nation at large shall forever be etched in our minds.

It will be difficult to meaningfully talk about the economic transformation of Uganda without making reference to him. We commit that as DPF, our actions shall be firmly guided towards building on the foundation he set.

We condole with Mrs. Betty Mutebile, the Bank of Uganda family and the entire financial sector fraternity. We pray that the Almighty God looks upon him with favor and grants him eternal rest. He has completed his journey and purpose to mankind impeccably.
